

The Standard Division System, in accordance with the International Costumers' Guild Guidelines, will be used as follows:

Junior Division

(Also known as the Young Fan Division)

Any contestant less than 13 years of age at the time of this competition may compete in the Junior Division. The Junior Division is divided into two subdivisions:

Junior Self-Made: A Junior contestant who has largely or wholly constructed his/her own costume.

Junior Adult-Made: A Junior contestant whose costume has been largely or wholly constructed by an adult.

Novice Division

A contestant who has not won a major award at a Masquerade other than as a Junior costumer.

Journeyman Division

A contestant who has won fewer than three awards at Masquerades while competing in the Journeyman Division.

Artisan Division

Any costumer who has won three or more awards; or who wishes to enter this division, provided that they do not belong in a higher division in use in the competition.

Master Division

A contestant who has won more than three times in the Artisan Division, or has won a Master award at a nationally recognized regional anime convention. Also, anyone who is a professional in a costume-related business must compete as a Master. For the purpose of this competition, a professional is defined as making 50% or more of their income in the costuming-related business.

Out-Of-Competition Division

The Masquerade is an amateur competition. Purchased or rented costumes may not be entered in competition for awards, but may be shown on stage in the Out-Of-Competition Division. Costumes made for business purposes, theatrical and professional events are not eligible for awards but may also be shown in this Division. In addition, anyone who wants to show their costume in this Division may do so.

Note : A contestant may compete in a Division higher than the one they are eligible to enter. Keep in mind that if the contestant wins in this higher Division, they must compete in that Division in future competitions.

Workmanship Judging

Judging for Workmanship Awards will take place backstage prior to the start of the

Masquerade. These awards, for excellence in construction, will be given out in addition to the Masquerade awards. You can be judged on your costume or on a specific piece or prop. Workmanship judging is mandatory and applies to entries in any of the Divisions, except the Out-of-Competition Division. Quality is quality, no matter the Division, and a beautiful job deserves recognition. Our Workmanship Judge(s) will look for technical skill, finishing, fit, handling of fabric and materials, etc. The judges need to know what parts of the costume were constructed and what parts (if any) were purchased.

Documentation

Documentation can include any pictorial representation of your costume. Provide copies only; do not bring originals. It is strongly recommended that you provide documentation for re-creation costume entries if you feel the judges may not be familiar with a particular anime/manga.
