

Otakuthon 2007 – J-POP Show

**Tutor Form (17 and under on the last day of the audition) –
MUST BE SIGNED BEFORE THE AUDITION**

Otakuthon is a large-scale animation convention of Japanese culture and music. It will be held in Montreal in August 2007 (weekend to be determined). The J-Pop Show is a voluntary amateur initiative, with the goal to set up a song and dance show with a Japanese animation and music theme. A team composed of four singers, four dancers and off-stage staff had been formed last year to ensure the success of the 2006 event. We are now recruiting new talents for the 2007 event. However, considering the complexity of organizing such an event, we must have the full agreement of tutors/parents regarding all aspects of the show for minors (17 years and under on the last day of the audition). We thank you for carefully reading and signing each item of this form.

Irulanne, Otakuthon 2007 J-Pop Show director.
